## PREFACE

This report is one in a series on Soviet Ground Force and Logistic installations being prepared for a DIA/CIA Panel. The series is being coordinated, published and disseminated by NPIC. The photographic analysis is being performed by the NPIC Photographic Analysis Group, the CIA Photographic Intelligence Division (NPIC), and the Production Center 1P1c (DIA). The photographic analysis for this particular report was performed by the Production Center 1P1c.

In the interest of uniformity, the titles and letter designators for the facilities observed at these installations are identical with those appearing in the project requirement. When a specific facility is not observed both its title and letter designator are omitted in the report.

Titles and letter designators for the various facilities are as follows: (A) railroad service, (B) road service, (C) landing strips, (D) administrative and troop housing areas, (E) storage areas, (F) ammunition storage areas, (G) POL storage areas, (H) other buildings and facilities, (J) equipment storage/maintenance areas, (K) athletic fields, (L) small arms firing ranges, (M) driver training areas, (N) tank/assault gun firing ranges, (P) flat trajectory firing ranges, (Q) artillery emplacements (batteries), (R) infantry or combined arms field training areas or courses, (S) special training facilities, (T) unidentified facilities or tracking activity.

## SUMMARY

Two military barracks and a probable armor vehicle storage depot are located in the southern part of Lvov (Figure 1). Lvov Army Barracks South-Central, at 49-49N 24-01E, (BE

[REDACTED] is annotated as Area I in Figure 3. It covers approximately 100 acres and contains nine barracks, three administration buildings/barracks, 21 storage buildings, eight support buildings, 10 motor vehicle storage buildings, and three motor vehicle maintenance buildings. The area also contains a small arms firing range and an unoccupied 6-gun AAA site. The area has good all-weather roads connecting it with the city road net. No rail lines enter the installation (Figures 2 and 3).

Lvov Army Barracks South-Southwest, at 49-49N 024-01E, [REDACTED] is annotated as Area II. It covers approximately 20 acres

and contains six multistory barracks, six single-story barracks, two storage buildings, two administration buildings, and one support building. The area is not rail-served; however, good roads connect the area with the city.

A probable armor vehicle storage depot (annotated as Area III) at 49-49N 024-00E covers approximately 20 acres. It contains seven motor vehicle storage buildings, one administration building, two storage buildings, and two support buildings. It also is road served.

Training facilities for the military units in the city are located 15 kilometers (km) northwest of Lvov. Ammunition is stored seven km north of Lvov at the Lvov ammunition depot.

The areas, covered by [REDACTED] missions between [REDACTED] are active and no significant changes have been noted since [REDACTED]

## DESCRIPTION OF INSTALLATION

### Road Service

The installations are served by good all-weather roads.

### Aircraft Landing Strip

Lvov Airfield is located five km west.

### Administrative and Troop Housing Areas

Area D1 contains nine multistory barracks (Lvov Army Barracks South-Central).

Area D2 contains three irregularly shaped barracks/administration buildings, three storage buildings, and eight support buildings.

Area D3 contains six multistory barracks, six single-story barracks, two storage buildings, two administration buildings, and one support building.

### General Storage Areas

Area E1 and Area E2 each contain six storage buildings.

### Equipment Storage/Maintenance Areas

Area J1 contains 10 motor vehicle storage buildings, four measuring 300 by 40 feet, one, 320 by 40 feet, two, 220 by 40 feet, and three 250 by 40 feet; three motor vehicle maintenance buildings, one 180 by 45 feet and two 110 by 45 feet; six storage buildings; and five support buildings.

Area J2 contains five motor vehicle storage buildings measuring 240 by 55 feet (probably for armor); two motor vehicle storage sheds, one 400 by 35 feet and one [REDACTED]
